Living in Sydney, Australia

Sydney is the capital of New South Wales and the largest city in Australia with a population of approximately five million. The city is built around one of the most beautiful harbours in the world and is bordered by a coastline of surf beaches including the famous beaches of Bondi and Manly.

The central business district features modern skyscrapers, historical buildings, museums, art galleries, vibrant shopping centres, world class sporting facilities, restaurants and theatres.

Sydneysiders enjoy a relaxed lifestyle and wonderful weather year round. The city has a pleasant climate, with warm summers (not usually above 30 degrees Celsius) and cool winters (not usually below 10 degrees Celsius). For more information visit: www.visitnsw.com or www.sydney.com.

Education standards in Australia are amongst the highest in the world. Annually approximately 4,000 international school students commence their studies throughout Australia. For more information visit: www.studyinaustralia.gov.au.

In New South Wales there are 13 years of formal school education. The first year is usually known as Kindergarten or Transition (commencing at approximately five years of age), followed by Year 1 through to Year 12. Students complete their schooling at approximately 18 years of age. For more information visit: www.boardofstudies.nsw.edu.au.

The Australian school year commences in late January and concludes in early December and is divided into four equal school terms (approximately 10 weeks each term) with a two to three week vacation break between terms and a longer break in December/January.

Studying at Kambala

Kambala welcomes international students from around the globe. As well as international boarders, we enrol the daughters of overseas visitors who hold appropriate business or temporary visas issued by the Department of Immigration and Border Protection (DIBP).

Kambala is a registered provider for a limited number of full fee paying overseas students (FFPOS). Kambala's CRICOS provider number is 02284M.

A full fee paying overseas student requires a student visa to attend school in Australia. Australian or New Zealand citizens, those carrying permanent or temporary resident visas or refugees do not require student visas to attend the School.

Evidence of English language proficiency will be required and applicants will be asked to sit for the Australian Education Assessment Services (AEAS) testing, either in their own country or Australia.

Kambala is located in Rose Bay in the Eastern Suburbs of Sydney on the foreshore of Sydney Harbour with breathtaking views across the city skyline and the Opera House. The School is located 18 kilometres from the international airport, eight kilometres from the central business district and 3.5 kilometres from the iconic Bondi Beach.

The educational journey for students of Kambala takes place within a learning environment enriched to provide a breadth of experiences to challenge the mind, body and spirit of each girl.

Typically, Kambala graduates are unafraid of the new and have a social conscious. They build synergies and are vital for tomorrow.

Each young woman also understands that the privilege she enjoys by attending a school offering such opportunities brings a responsibility – a responsibility to contribute to this community and society at large.

The broad ranging curriculum and wealth of co-curricular and extra curricular activities, offered within a positive and supportive environment, invite the girls to explore their strengths and realise their potential. Confidence is developed as students learn that it is important to take risks, confront failures and learn from mistakes. Resilient, self-reliant young women understand that they will have the ability to make a difference in the world.

Consistent excellent academic results at all levels of benchmark testing attest to the expertise of the staff in all year levels and subject areas. The high degree of engagement and commitment to achieving personal excellence is evident within the student body and ensures impressive outcomes.

Our Higher School Certificate and International Baccalaureate results reflect this each year. On average 60 percent of Year 12 students achieve an Australian Tertiary Admissions Rank (ATAR) of over 90.

Students also have the opportunity to excel in Debating, Drama, Music, Sport and many other areas of interest. The life of a Kambala student is a busy and exciting one.

Kambala is committed to working with students to produce a love of learning, self-respect and a real sense of community. Self-esteem is built through the wide variety of opportunities to experience success in a very supportive environment. The School's wellbeing and discipline policies take a problem-solving approach to discipline, emphasising the responsibilities that students have to themselves, to one-another, to their teachers and to their parents. The policies are underpinned by values important at Kambala: a safe, nurturing environment, respect for people and property, tolerance and compassion and pride in the School.

Kambala is a school with a proud tradition of educating young women. From its inception in 1887, all those associated with this dynamic learning community have made a commitment to providing the best of opportunities to assist each girl in realising her own purpose with integrity, passion and generosity.

Sharing information

Information provided by the student to the provider (Kambala) may be made available to commonwealth and state agencies pursuant to obligations under the ESOS Act 2000 and the National Code. This information includes personal and contact details, course enrolment details and changes, and the circumstance of any suspected breach by the student of a student visa condition. In other instances information collected during your enrolment can be disclosed without your consent where authorised or required by law.

Change of address

The student is obliged to notify the School of a change of address within fourteen days while enrolled at the School. This is to ensure that any notifications sent to the student advising of visa breaches are sent to the student's current address. Where Kambala has approved the student's welfare and accommodation arrangements, the student requires school approval for any changes to welfare and accommodation arrangements **prior to that change**.

Privacy

Information is collected on the application form and during your enrolment in order to meet our obligations under the ESOS Act and the National Code 2007 to ensure student compliance with the conditions of their visas and their obligations under Australian immigration laws generally. The authority to collect this information is contained in the Education Services for Overseas Students Act 2000, the Education Services for Overseas Student Regulations 2001 and the National Code of Practice for Registration Authorities and Providers of Education and Training to Overseas Students 2007. Information collected about you on this form and during your enrolment can be provided, in certain circumstances, to the Australian Government and designated authorities and, if relevant, the Tuition Assurance Scheme and the ESOS Assurance Fund Manager. The completed form should be returned to the Director of Enrolments together with a AU\$200.00 non-refundable registration fee, a copy of the first pages of the student's passport showing personal details, translated copies of the student's most recent school reports and two letters of recommendation. These letters of recommendation can be provided by anyone who has known the family for at least three years such as a teacher, a family member or a friend.

English language requirements

Overseas students from Year 5 onwards **not currently** being schooled fully in English must be tested in English, Mathematics and General Ability. Kambala uses Australian Education Assessment Services (AEAS) for this procedure. Please refer to their website (www.aeas.com.au) for more information including international test centres and test dates. Overseas students must provide AEAS results with their application. Based on the recommendation of the AEAS report, many overseas students will be required to attend a High School Preparation course prior to commencing at Kambala.

Applicants currently being schooled in English are required to sit placement tests in English, Mathematics and General Ability. These tests can be sat at Kambala on specific test dates or sent to the student's current school with their permission to supervise.

Year placement is at the Principal's discretion based upon a student having a satisfactory level of English proficiency to meet the demands of the curriculum.

Once the Application for Enrolment Form and accompanying documentation has been received, the student will either be placed on a waiting list if a vacancy is not available for the requested entry or written offer documents will be supplied.

If the student accepts the offer this requires the parent(s) to sign the offer documents and return these to the Director of Enrolments together with the necessary payments outlined in the offer. In order to be valid and binding, such notice must be in writing, signed by the parent and delivered to the Principal.

Orientation

Kambala has a dedicated orientation program in place each October for all new students commencing at the School the following year. Term meetings and individual interviews are held with each overseas student to assess and monitor that their specific needs are being met. The OSC retains records of student interviews on the FFPOS student's file. All FFPOS students participate in the pastoral care program at Kambala and their welfare is also monitored in accordance with the Kambala safe and supportive environment policies.

International dinners are held in the boarding house for each boarder's home of origin. Those overseas students who are not boarders are invited to attend. The girls share photographs and presentations enlightening all boarders about their respective culture. Opportunities to partake in activities specific to their culture are provided as a weekend recreational option. Notable cultural festivities and events such as Chinese New Year and Ramadan are also acknowledged or celebrated by all boarders in recognition of the diversity in cultures that exists at Kambala.

The Director of Enrolment informs DIBP in the event that a student under 18 changes her living arrangements or the provider no longer approves the arrangements for the students using the DIBP proforma letters available through PRISMS.

FFPOS Course Progress and Attendance Policy

Confirmation of enrolment and course duration

The Confirmation of Enrolment Form (eCoE) indicates the start and end date of the student's course duration.

Courses provided at Kambala

- ◆ Primary (Kindergarten/Transition to Year 6)
- ◆ Junior Secondary (Years 7 to 10)
- ◆ Senior Secondary (Year 11 and 12)
- ◆ International Baccalaureate (Year 11 and 12)

Course progress

Kambala monitors, records and assesses the course progress of each Kambala student, including FFPOS. Staff responsible for record management and follow up are outlined in the Reporting Policy.

Specific requirements for FFPOS

- ◆ Kambala will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- ◆ The course progress of all students will be assessed at the end of each semester of enrolment.
- ◆ Students who have begun part way through a semester will be assessed after one full period of attendance.
- ◆ To demonstrate satisfactory course progress, students will need to achieve competency in at least 50 percent of units in any study period [or any other measure of satisfactory course progress as required by the School].
- ◆ If a student does not achieve competency in at least 50 percent of units studied in an assessment period, the Director of Curriculum or equivalent will meet with the student to develop an intervention strategy for academic improvement. This may include:
 - individual education plan
 - additional supervised study periods
 - literacy and numeracy support
 - other intervention strategies as deemed necessary such as psychological assessment and counselling.

The point of intervention will be in accordance with the National Code 2007 (at a minimum the School must implement an intervention strategy if a student is deemed not competent in 50 percent or more of the units in any one study period).

- ◆ A copy of the student's individual strategy and progress reports in achieving improvement will be forwarded to parents.
- ◆ The student's individual strategy for academic improvement will be monitored over the following semester by the Director of Curriculum and/or the Head of Senior School, and records of student response to the strategy will be kept.
- ◆ If the student does not improve academically and achieve satisfactory course progress by the end of the next assessment period, the Principal or her representative will advise the student in writing of its intention to report the student for breach of visa condition 8202, and that she has 20 working days in which to access the School's internal complaints and appeals process.

- ◆ Kambala will notify DET and DIBP via PRISMS of the student not achieving satisfactory course progress as soon as practicable where:
 - the student does not access the complaints and appeals process within 20 days, or
 - withdraws from the complaints and appeals process, or
 - the complaints and appeals process results in favour of the School.

Completion within expected duration of study (course progression)

- ◆ As noted in Course Progress, Kambala will monitor, record and assess the course progress of each student for the course in which the student is currently enrolled.
- ◆ Part of the assessment of course progress at the end of each semester will include an assessment of whether the student's progress is such that they are expected to complete their course within its expected duration.
- ◆ The School will only extend the duration of the student's study where the student will not complete their course within the expected duration due to:
 - compassionate or compelling circumstances.
 - student participation in an intervention strategy as outlined in Course Progress.
 - an approved deferment or suspension of study has been granted in accordance with Kambala's Deferment, Suspension and Cancellation Policy.

Where Kambala decides to extend the duration of the student's study, the School will report via PRISMS and/or issue a new eCoE if required.

Course attendance

All Kambala students, including FFPOS, are subject to Kambala's Attendance Policy. Staff responsible for record management and follow up are outlined in the Attendance Policy.

Specific requirements for FFPOS

- ◆ Satisfactory course attendance is 80 percent of scheduled course contact hours.
- ◆ Student attendance is:
 - checked and recorded daily
 - assessed regularly
 - recorded and calculated over each semester.
- ◆ Late arrival at school will be recorded and will be included in attendance calculations.
- ◆ All absences from school should be accompanied by a medical certificate, an explanatory communication from the student's caregiver or evidence that leave has been approved by the Principal.
- ◆ Any absences longer than three consecutive days without approval will be investigated.
- ◆ Student attendance will be monitored by the Overseas Student Coordinator every 14 days over a semester to assess student attendance using the following method.
 - Calculating the number of hours the student would have to be absent to fall below the attendance threshold for a semester. For example the number of study days x contact hours x 20 percent.

[For example, an eight week semester with five contact hours a day would equal 200 contact hours. 20 percent of this is 40 hours.]

- Any period of exclusion from class will not be included in student attendance calculations. (See Standard 13 - deferring, suspending and cancelling enrolment for an explanation of this item).
- ◆ Students are at risk of breaching Kambala's attendance requirements when they have absences totalling more than 20 percent during any assessment period.
- ◆ If the calculation indicates that the student has not passed the attendance threshold for the study period, Kambala will advise the student of its intention to report the student for breach of visa condition 8202, and that she has 20 working days in which to access the School's internal complaints and appeals process except in the circumstances outlined below.
- ◆ The School will notify DEEWR via PRISMS of the student not achieving satisfactory course attendance as soon as practicable where:
 - the student does not access the complaints and appeals process within 20 days.
 - withdraws from the complaints and appeals process.
 - the complaints and appeals process results in a decision for the School.
- ◆ Students will not be reported for failing to meet the 80 percent threshold where:
 - the student produces documentary evidence clearly demonstrating compassionate or compelling circumstances; for example medical illness supported by a medical certificate, and
 - has not fallen below 70 percent attendance
- ◆ The method for calculating 70 percent attendance is the same as that outlined previously with the following change; study days x contact hours x 30 percent.
- ◆ If a student is assessed as having nearly reached the threshold for 70 percent attendance, the Overseas Student Coordinator will assess whether a suspension of studies is in the interests of the student as per Kambala's Deferment, Suspension and Cancellation Policy.
- ◆ If the student does not obtain a suspension of studies under Kambala's Deferment, Suspension and Cancellation Policy, and falls below Kambala's 80 percent threshold for attendance, the process for reporting the student for unsatisfactory attendance (breach of visa condition 8202) will occur.

Definitions

- ◆ Compassionate or compelling circumstances are circumstances beyond the control of the student that are having an impact on the student's progress through a course. These could include:
 - Serious illness, where a medical certificate states that the student was unable to attend classes.
 - Bereavement of close family members such as parents or grandparents.
 - Major political upheaval or natural disaster in the home country requiring their emergency travel that has impacted on their studies.
 - A traumatic experience which has impacted on the student (these cases should be where possible supported by police or psychologists' reports).

- Where the School was unable to offer a pre-requisite unit.
- Inability to begin studying on the course commencement date due to delay in receiving a student visa.
- ◆ For other circumstances to be considered as compassionate or compelling, evidence would need to be provided to show that these were having an impact on the student's progress through a course.
- ◆ Expected duration is the length of time it takes to complete the course studying full-time. This is the same as the registered course duration on CRICOS.
- ◆ School day is any day for which the School has scheduled course contact hours.

FFPOS Transfer Request Policy

The Independent Schools Council of Australia (ISCA) represents the interests of the independent school sector at the federal level. The following is based on the policy of ISCA:

Overseas students are restricted from transferring from their principle course of study for a period of six months. This restriction also applies to any course(s) packaged with their principle course of study except:

- ◆ If the student's course or school becomes unregistered.
- ◆ A Government sponsor (where applicable) considers a transfer to be in the best interests of the student.
- ◆ If the student is granted a letter of release.

Students can apply for a letter of release (at no charge) to enable them to transfer to another education provider through the Overseas Student Coordinator (OSC) with final approval resting with the Principal.

Kambala will only provide a letter of release to students in the first six months of their principle course in the following circumstances:

- ◆ The student has changed welfare and accommodation arrangements and is no longer within a reasonable travelling time of the School.
- ◆ It has been agreed by the School that the student would be better placed in a course that is not available at Kambala.
- ◆ Any other reason stated in the policies of Kambala.

Students under 18 years of age must have:

- ◆ Written evidence that the student's parent(s)/legal guardian supports the transfer.
- ◆ Written confirmation that the new provider will accept responsibility for approving the student's accommodation, support, and general welfare arrangements where the student is not living with a parent(s)/legal guardian or a suitable nominated relative.
- ◆ Evidence that the student is always in DIPB approved welfare and accommodation arrangements.

Kambala will not provide a letter of release to students in the first six months of their principle course in the following circumstances:

- ◆ The student's progress is likely to be academically disadvantaged.
- ◆ Kambala is concerned that the student's application to transfer is a consequence of the adverse influence of another party.

Applying for a letter of release

To apply for a letter of release from Kambala you must first have a letter of offer from another registered provider. Applications to transfer to another registered provider may have visa implications. The student is advised to contact the Department of Immigration and Border Protection as soon as possible to discuss any implications. Contact details for the nearest DIBP office are: Ground Floor, 26 Lee Street, Sydney NSW 2000. Telephone: +61 131 881. Email: student.centre@immi.gov.au.

The letter of release, whether from this school or another registered provider, must show the reason for transfer and provide evidence demonstrating the student's commitment to studies, attendance records and all fees for the course have been paid.

The application to transfer and letter of release will be considered within 10 working days and the student notified of the decision;

- ◆ should the request to transfer be denied the student will be advised in writing by the Principal.
- ◆ the student may appeal the decision under Kambala's Complaints and Appeals Policy.

FFPOS Deferment, Suspension and Cancellation Policy

Deferment of commencement of study requested by a student

A deferment occurs when an enrolment is postponed to a future date. Kambala will only grant a deferment of commencement of studies for compassionate and compelling circumstances. These include but are not limited to:

- ◆ Illness, where a medical certificate states that the student was unable to attend classes.
- ◆ Bereavement of close family members such as parents or grandparents.
- ◆ Major political upheaval or natural disaster in the home country requiring emergency travel that has impacted on studies.
- ◆ A traumatic experience, which has impacted on the student (these cases where possible should be supported by police or psychologists' reports).

The final decision for assessing and granting a deferment of commencement lies with the Principal.

Deferment will be recorded on PRISMS depending on the student's eCoE status.

Suspension of study requested by a student

A suspension occurs when an enrolment is suspended for a period of time as determined by the Principal.

Once the student has commenced the course, Kambala will only grant a suspension of study for compassionate or compelling circumstances. These include but are not limited to:

- ◆ Illness, where a medical certificate states that the student was unable to attend classes.
- ◆ Bereavement of close family members such as parents or grandparents.
- ◆ Major political upheaval or natural disaster in the home country requiring emergency travel that has impacted on studies.
- ◆ A traumatic experience, which has impacted on the student (these cases where possible should be supported by police or psychologists' reports).

Suspensions will be recorded on PRISMS.

The period of suspension will not be included in attendance calculations. The final decision for assessing and granting a suspension of studies lies with the Principal.

Assessing requests for deferment or suspension of studies

Applications will be assessed on merit by the Principal. All applications for deferment or suspension of studies will be considered within 14 working days.

Exclusion from class (1 to 28 days)

- ◆ Kambala may exclude a student from class studies on the grounds of misbehaviour by the student. Exclusion will occur as the result of any behaviour identified as resulting in exclusion in the Kambala Code of Conduct.
- ◆ Excluded students must abide by the conditions of their exclusion from studies which will depend on welfare and accommodation arrangements in place for each student and which will be determined by the Principal.
- ◆ Where the student is provided with homework or other studies for the period of the exclusion, the student must continue to meet the academic requirements of the course.
- ◆ Exclusions from class will not be recorded on PRISMS.
- ◆ Periods of exclusion from class will not be included in attendance calculations as per Kambala's Course Progress and Attendance Policy.

School initiated suspension of studies (28 days+)

- ◆ Kambala may initiate a suspension of studies for a student on the grounds of misbehaviour by the student. Suspension will occur as the result of any behaviour identified as resulting in suspension in the Kambala Code of Conduct.
- ◆ Suspended students must abide by the conditions of their suspension from studies that will depend on the welfare and accommodation arrangements in place for each student and will be determined by the Principal.
- ◆ Students who have been suspended for more than 28 days are required to return to their home country by DIBP unless specific special circumstances exist (for example the student is medically unfit to travel).
- ◆ If special circumstances exist, the student must abide by the conditions of her suspension that will depend on the welfare and accommodation arrangements in place for each student.
- ◆ Suspension will be recorded on PRISMS.
- ◆ The period of suspension will not be included in attendance calculations.

Cancellation of enrolment

Kambala will cancel enrolment of the student under the following conditions:

- ◆ Failure to pay course fees.
- ◆ Failure to maintain approved welfare and accommodation arrangements (visa condition 8532).
- ◆ Any behaviour identified as resulting in cancellation under Kambala's Code of Conduct.

Kambala is required to report failure to maintain satisfactory course progress and failure to maintain satisfactory attendance to DIBP, which will result in automatic cancellation.

Complaints and appeals

- ◆ Student requested deferment and suspension are not subject to Kambala's FFPOS Complaints and Appeals Policy.
- ◆ Exclusion from class is subject to Kambala's FFPOS Complaints and Appeals Policy.
- ◆ School initiated suspension is subject to Kambala's FFPOS Complaints and Appeals Policy.
- ◆ For the duration of the appeals process, the student is required to maintain enrolment and attendance at all classes as normal.
- ◆ The Principal will determine if participation in studies will be in class or under supervised arrangement outside of classes.
- ◆ If students access Kambala's FFPOS Complaints and Appeals Process regarding a school initiated suspension, where the suspension is recorded in PRISMS, or cancellation, the suspension or cancellation will not be reported to PRISMS until the complaints and appeals process is finalised, unless extenuating circumstances relating to the welfare of the student apply.
- ◆ The use of extenuating circumstances by Kambala to suspend or cancel a student's enrolment prior to the completion of any complaints and appeals process will be supported by appropriate evidence.

Student advice

Deferment, suspension and cancellation of enrolment can have an effect on a student's visa as a result of changes to enrolment status. Students will be informed to contact the Department of Immigration and Border Protection (DIBP) for advice.

FFPOS Complaints and Appeals Policy

The purpose of Kambala's Complaints and Appeals Policy is to provide a student or parent(s)/legal guardian with the opportunity to access procedures to facilitate the resolution of a dispute or complaint. These internal procedures are a conciliatory and non-legal process.

In the first instance, Kambala requests there is an attempt to informally resolve the issue. Staff will make every effort to resolve all enquires, concerns, complaints and disputes promptly and in accordance with procedural fairness.

If this is unsatisfactory or does not result in a resolution of the matter, the School's internal formal complaints handling procedure will be followed.

The process of this grievance procedure is confidential and any complaints are a matter between the parties concerned and those directly involved in the complaints handling process.

If the student or parent(s)/legal guardian remain dissatisfied with the outcome, the School will advise of access to an independent external appeals process.

Grievances brought by a student against another student will be dealt with under Kambala's Code of Conduct.

For conditions that apply to handling of a complaint or appeal arising from the School's suspension or cancellation of a student's studies, please read the School's Deferment, Suspension and Cancellation Policy.

Principles

The following principles apply:

- ◆ Student wellbeing is the first priority.
- ◆ The process is accessible to all parties and there is a commitment to cooperation by school staff.
- ◆ Procedural fairness is offered to all parties.

Complaints will be handled promptly, confidentially and according to procedural fairness. Appropriate confidentiality will be maintained between parties involved and support persons (unions or professional associations).

Teachers must:

- ◆ Maintain confidentiality.

The Principal must:

- ◆ Maintain confidentiality.

An investigator will be appointed by the Principal, follow direction from the Principal and according to the principles of procedural fairness. The investigator will inform the Principal of the findings of the investigation. The Principal will inform the claimant and the respondent of the findings. In the case of overseas students/parents a suitable interpreter will be provided for the duration of the procedures.

Complaints against other students

Grievances brought by a student against another student will be dealt with under the School's Behaviour Management Policy.

The TPS ensures that full fee paying overseas students are able to either complete their studies in another course or with another education provider; or, receive a refund of their unspent tuition fees. Students will either be placed in an alternate course within 14 days or unspent fees will be refunded. The outcome of this process will be reported via PRISMS within seven working days.

TPS is designed to maintain the integrity and international reputation of the industry and registered providers. As an approved CRICOS provider, Kambala pays an annual Tuition Protection Service (TPS) Levy for each calendar year.
