Enrolment Procedures

To apply to Kambala an Application for Enrolment Form must be completed and returned with copies of recent School Reports (for school aged applicants), 2 references (i.e. letter of introduction for the family as the child may be an infant at the time of application) and payment of a non-refundable registration fee.

Confirmation of Entry forms are sent to parents usually two years prior to the student commencing. At this point a non-refundable entrance fee is payable.

Interviews for girls entering Preparation to Year 7 with the Principal and Heads of Junior School and Senior School take place the year prior to entry. Girls requesting entry to Years 8 to 12 are required to attend an interview with the Principal, Head of Senior School and Director of Curriculum prior to a position being offered.

Students from Year 5 onwards are also tested by Robert Allwell and Associates to provide information for class placement and academic needs. These tests are usually conducted at

orientation days but can be arranged during the school year on specific test dates.

Kambala takes reasonable steps to ensure that a prospective student with a disability is able to apply for enrolment in the school and has their enrolment considered on the same basis as a prospective student without a disability and without experiencing discrimination.

There are no pre-requisites for continued enrolment beyond the payment of fees.

International Baccalaureate Diploma

The IB Diploma Program is an integral part of Kambala's Senior School experience. It complements all elements of Kambala's traditional curricular, extra-curricular and community service practice, and provides an internationally recognised curriculum and accreditation. At Kambala, the IB Diploma Program and Higher School Certificate are considered to be equal but different pathways to matriculation.

Any student who aspires to tertiary study at university in Australia or overseas, and who is interested in a senior certificate which is international in curriculum content, combines serious academic study with activities that encourage a sense of adventure and social responsibility, and is recognised by universities around the world, is well suited to the IB.

A student electing the IBDP will be interviewed on her suitability for the Diploma Program, taking into account the student's:

- Style of learning.
- Level of independence.
- Likelihood of achieving a pass level in the IB (equivalent to an ATAR of 75+).

Overseas students from non-English speaking backgrounds are required to sit an English and general ability test. Kambala prefers AEAS testing (www.aeas.com.au). AEAS testing is available in most countries and in Australia. Upon receipt of AEAS results, the enrolment of an overseas student may proceed to the interview and Kambala assessment stage, providing the AEAS results are of an acceptable standard. If a certain standard has not been reached, overseas students are encouraged to attend an intensive English language course and then re-apply at a later time.
