SCHOLARSHIPS

SCHOLARSHIPS

We are seeking aspirational young women who will add depth and diversity to the Kambala community through our Scholarships program.

Kambala girls enjoy a world of opportunity and gain an international perspective, benefiting from the expertise and care of highly specialised teachers and an engaged school community.

Offering both the HSC and IB Diploma, we are committed to providing opportunities for these young women so they may go forth and make a difference in the world.

Sarah Li and Verity Bligh, two students from our 2015 cohort, received academic scholarships for their education at Kambala. These two exceptional young women achieved outstanding results in their HSC and IB respectively, with both achieving the highest possible ATAR, while continuously contributing to the fabric of the School through participation in extra-curricular, service and sporting activities.

The broader education these girls received has allowed them to diversify their strengths and identify their passions. Sarah is currently studying a combined Bachelor of Music Studies and Doctor of Medicine degree at the University of Sydney, while Verity commenced joint Honours and Politics at Keble College in Oxford.

Humanity | Courage | Wonder | Respect
Celebrating learning; inspiring young women

KAMBALA SCHOLARSHIPS

Kambala offers a variety of scholarships each year.

Applications are invited from girls who are either current students or who are presently attending other schools at the time of application. Individual scholarship criteria are outlined in this brochure.

Means-tested scholarships are awarded on academic merit in conjunction with demonstrated financial need and require the provision of supporting financial documentation.

All scholarship examinations are conducted by external providers at Kambala. These examinations usually take place in March each year. The date for the next scholarship examination is available in the Enrolments section at www.kambala.nsw.edu.au.

Candidates may apply for one or more of the following scholarships provided that they meet the entry criteria.
